

Assignment 8A: VALUE

Process:

Design a unit form from the previous texture analysis (assignment 7A). Students are asked to create "UNIT FORM" and re-arrange those unit form by using the organization ie. Centralized organization, linear organization, radial organization, clustered organization, grid organization on 8"x 8" picture plane and apply 5 levels of value by using various grayscale.

*Each unit must fill with 5 values by using texture.

*3 size unit forms (2"x 2", 1"x 1", 0.5"x 0.5") are required to use and the number of pieces are up to your design.

*Students are free to rotate and mirror the unit forms.

Objective:

- Understanding sense of depth
- Practice analytical analysis skill
- Understanding the Design/Visual/Architectural languages
- Practice craftsmanship skill

Given

- 8" x 8" white 100lbs paper
- Black pen (0.1, 0.3, 0.5 points only) applying various of texture to create various grayscale

Schedule:

Issue: Friday 29/09/2017

Submit: Friday 29/09/2017 (4:00 PM)

Evaluation

1. Ability to express and communicate by using visual graphic
2. Craftsmanship (orderly and clean)
3. Punctuation of time

Assignment 8B: VALUE

Process:

Based on the assignment 8A, Students are asked to using poster color (Black/White) to paint by using 5 grey scale of value

Objective:

- Understanding sense of depth
- Practice analytical analysis skill
- Understanding the Design/Visual/Architectural languages
- Practice craftsmanship skill

Given

- 8" x 8" white 100lbs paper
- Black / Whit Poster Color

Schedule:

Issue: Friday 29/09/2017

Submit: Friday 20/10/2017

Evaluation

1. Ability to express and communicate by using visual graphic
2. Craftsmanship (orderly and clean)
3. Punctuation of time

Assignment 8C: VALUE

Process:

Construct 3 dimensional artwork by using 8A/8B artwork as your base. Students then form up the unit form. Each unit form will have 5 levels of height to associate with 5 levels of value (the lightest is the highest and the darkest is at the lowest height). And at the final touch, each level must be applied with different tactile texture.

*5 different tactile textures

*5 different heights

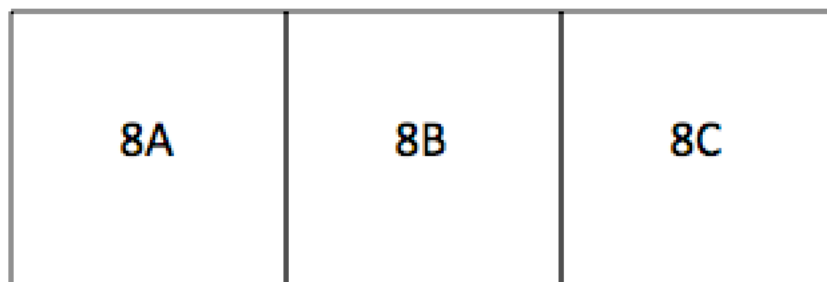

*Single color (do not apply any colors on your artwork, white paper only)

Objective:

- Understanding sense of depth
- Practice analytical analysis skill
- Understanding the Design/Visual/Architectural languages
- Practice craftsmanship skill

Given

- 8" x 8" white card board paper to construct the base (1" height)
- White card board paper (the maximum height should not be higher than 4")
- Mount your works on the construction board (กระดาษขาน้อย 24"x8" (3 works)

Schedule:

Issue: Friday 29/09/2017

Submit: Friday 20/10/2017

Evaluation

1. Ability to express and communicate by using visual graphic
2. Craftsmanship (orderly and clean)
3. Punctuation of time
